

Announcement of the Mid-Semester Course Evaluation Implementation Plan for the First Semester of Academic Year 2026

In order to assess students' satisfaction with courses during the semester and to provide feedback to course instructors, thereby improving the quality of instruction and promoting student-centered learning, the "Mid-Semester Course Evaluation" for the first semester of 2026 will be conducted. We kindly ask for the active participation of all enrolled students as outlined below.

1. Evaluation Period and Target Courses

Category	Details
Evaluation Period	April 28, 2026 (Tue) 10:00 - May 4, 2026 (Mon) 24:00
Target Courses	All courses offered in the first semester of the 2026 academic year

2. Evaluation Method

1) Access Method:

Category	Details
Mobile	Install and access the Electronic Attendance Application (App name: Gwangju Women's University Electronic Attendance System) * Available for download via Google Play Store (Android) / App Store (iPhone)
PC	Access the Student-Centered Education Online System (portal.kwu.ac.kr)

Access via the Electronic Attendance Application

Click on class evaluation

Select a subject to evaluate

Click 'Save' after class evaluation

2) Login Credentials

Same ID and password as the Student-Centered Online System

3) Course Evaluation Participation Path:

Category	Details
Mobile	Run the app → Log in → Course Evaluation → Select course → Complete survey → Click “Save”
PC	Log in (enter ID/PW) → Academic Administration → Grades → View Current Semester Grades → Participate in Course Evaluation

※ The mid-semester course evaluation is used as feedback for the final evaluation. Final grades will be available for viewing during the official grade inquiry period after the semester ends.

3. **Evaluation Items:** Course evaluations will be conducted using both objective and subjective questions, categorized into six different course types.

4. **Additional Information**

- a. All students enrolled in courses are eligible to participate in the evaluation.
- b. Course instructors cannot access individual students’ evaluation responses, and anonymity is strictly guaranteed.
- c. After the evaluation period, instructors can review only aggregated results via the online system, including response rates, average scores, and general comments or suggestions.
- d. Once submitted, survey responses cannot be modified or deleted.
→ Please carefully review each question before selecting your answers.
(① Strongly Disagree ② Disagree ③ Neutral ④ Agree ⑤ Strongly Agree)
- e. Instructors are prohibited from making any statements or engaging in any behavior during class that may influence the course evaluation.
